

Date: _____

Dear Representative:

Please accept this letter as our formal request and authorization for _____ (Utility) to release the following described information to _____. This authorization for release (Supplier) of information relating to electric service shall include all of the various accounts and locations currently being served by _____, as well as any future accounts and locations that will be served. (Utility)

This information request shall be effective from the date written above and limited to no more than the most recent 12-month period of service or such shorter period as advised by _____ in its current business practice to conveniently maintain. (Utility)

This request includes:

1. The Standard Historical Usage Report
2. Interval Usage Data, if available

Please accept this request for information under the authority of this letter as if we made the request directly to you. You are permitted to accept this letter as authentic whether it is the original executed document or a copy thereof. By my signature affixed to this request, I affirm that I have the authority to make and sign this request on behalf of my company.

I also authorize that a copy of the requested data be forwarded to Affiliated Power Purchasers Int'l (APPI) by contacted supplier.
